

SCHOLARSHIP FIELD SCHOOL PROGRAM IN PERU 2016 SESSION

The Field School Program in Peru of the Pontificia Universidad Católica del Perú offers international students the opportunity to join PUCP's field research programs and have a lively experience learning Peruvian culture.

- The total amount of the scholarship is half of the price of the program fee.
- The amount will be directly discount of the program fee.
- We offer 2 scholarships.
- The scholarship doesn't include the application fee.

ELIGIBILITY

Who may apply?

Undergraduate students who have not earned a bachelor's or a professional degree. To apply for a **Scholarship**, you must:

- Be pre-accepted for enrollment to one of our Field School Programs in Peru.
- Maintain satisfactory academic progress.

CALENDAR

March 18	Students send their application documents, pay the application fee and email an essay on "Who chooses Peru as a study abroad destination?".
March 25	We will inform to all the applicants who are the scholarship winners.
April 22	Complete the application process by paying the program fee. Otherwise, the student could lose the scholarship.
May 13	All the programs need a minimum number of students to be opened. In case the program chosen by the scholarship winner is not opened, the student can decide to participate in another program.

ESSAY

- The topic must be: "Who chooses Peru as a study abroad destination?"
- It must have no more than 750 words.
- By sending the essay you agree with the use of it for marketing purposes.

COMMITMENTS OF THE FIELD SCHOOL PROGRAM SCHOLARSHIP

1. Write three articles about the experience so we can feed our Facebook page.

- a. The first article must be sent by July 15.
- b. The second article must be sent by July 30.
- c. The third article must be sent by August 20.
- d. In both cases you can chose the topic, but we suggest:
 - Cultural immersion: My first days in Peru
 - The experience of studying abroad in Peru
 - Safety tips for students in Peru
 - 6 steps for thinking local
 - How to learn and have fun in Peru
 - 5 benefits of studying a summer program in Peru
- e. All the articles will be used for marketing purposes.
- f. It must have between 500 and 750 words

2. Send photographs about the field work so we can use them for the brochure and website.

- a. At least 10 photos by July 15.
- b. At least 20 photos by July 30.
- c. At least 20 photos by August 20.
- d. Photographs must include field work, field trips, lectures and spare time.

3. Keep contact with our university and help us to enlarge the interest in our program.

4. The student must pay the program fee by April 18th.

The total amount of the discount is half of the price of the program fee and the \$150 discount (for full applications by April 1st) doesn't apply for the scholarship winner.
